New Skills Agenda for Europe - EU Skills Profile Tool for Third Country Nationals

The EU Skills Profile Tool for Third Country Nationals is intended for use by any services that may be offering guidance, advice or training. It provides a framework for gathering and analysing information about an individual's skills, qualifications and experiences in order to support them in their career development.

The focus of the tool is to help individuals produce a profile of their skills and to help an adviser identify any recommendations or next steps. The information collected can be used to:

- Support further assessment,
- Form a basis for offering guidance,
- Identify up-skilling needs,
- Support job searching and job matching.

The tool is not intended as a recognition or authentication tool.
