**The Commission is launching a Call for Proposals in the field of media literacy**

DG Connect is launching a call for proposal for pilot projects.

The objective of the pilot project is to develop actions aimed at increasing the critical thinking towards the media among citizens of all ages and to test the feasibility and usefulness of such actions. Critical thinking includes, among other skills, the ability to distinguish information from propaganda, to deconstruct media communication and to interact with social media in a mindful way.

Media is to be understood as covering all kinds of media and through all kinds of channels.
