

03-07-2017

EU Code Week is celebrating its 5th birthday on 7-22 October – get ready, join in and learn how to create with code!

Europe is skilling up in digital - the fifth edition of EU Code Week will take place 7-22 October 2017. Join the celebrations and learn how to express yourself with code. Since 2013, the Code Week initiative has organised more than 33000 coding events in +50 countries in and outside Europe. In 2016, almost a million people participated, out of which 46% were girls or women. There are a number of ways to participate in EU Code Week 2017: Get involved! [Click here for more information](#)
